4 Can you see 'em? Do you see 'em? They got to be a-round... Can you see 'em? Do you see 'em? They

9 simply must be found!

11 Can you see 'em? Do you see 'em? They got to be a-round! Can you see 'em? Do you see 'em up and down and all a-round? They

13 sim - ply must be found! To the left, to the right, up and down, day and night:

15 Can you see 'em? Do you see 'em? They got to be a-round. Can you see 'em? Do you see 'em? They sim-ply must be found! Hey!

19 Can you see 'em? Do you see 'em? They got to be a-round!

21 Can you see 'em? Do you see 'em? They sim - ply must be found! *3 times*

23 Can you see 'em? Do you see 'em? Can you see 'em? They

26 got to be a - round! Can you see 'em? Do you see 'em?

29 Can you see 'em? They sim - ply must be found!
