

# Noonies (F)

Lyrics by  
Kevin Kammeraad

Music by  
Joe Moore

C aug                      F7                      C7   B7                      Bb7                      C7

1                      Noon - ies.                      I sit and eat my

4                      F7                      C7   B7                      Bb7                      C7                      F7                      C7                      B7

7                      noon - ies.                      They're fill - ing up my                      tum - my,                      I eat them ev - ery day.

7                      Bb7                      C7                      C aug                      F7                      C7                      B7

10                      They taste so ve - ry yum - my.                      Ooh                      Aah -

10                      Bb7                      C7                      F7                      C7                      B7                      Bb7                      C7                      F7                      C7                      B7

14                      what actually is a noonie?                      And some of you may think that I'm a little loony.)                      Ooh but a noon - ie is a nood - le cov - ered

14                      Bb7                      C7                      F7                      C7                      B7                      Bb7                      C7

17                      up with cheese,                      so I'd like to go on eat - ing my noon - ies if you please,

17                      G7                      E7                      F7                      C7                      D7                      C aug

22                      (pl)ease,                      (pl)ease.

22                      F7                      C7                      B7                      Bb7                      C7                      F7                      C7                      B7                      Bb7                      C7

26                      Ooh                      Ahh - - - - Ooh - - - - Ahh - - - - Ooh -

26                      F7                      C7                      B7                      Bb7                      C7                      F7                      C7                      B7                      Bb7                      C7                      F7

26                      Ahh - - - - Ooh - - - - Wah - - - - Ooh - - - - Ha - Oh!
