Soon there will be pump-kins pump-kins in my bel-ly as soon as the seeds  
I know it's gon - na hap - pen gon - na hap - pen  
grow.  
I real - ly real - ly know. for I've been eat - ing pump - kin seeds 'cause they  
taste just real - ly great so when there's a pump - kin in my bel - ly it's 'cause the seeds I just now ate.  
It's 'cause of the seeds I just now ate.
